### Authorization for Automatic Credit Card Payments

We're happy to make paying your monthly tuition easy with your credit card or a bank check card (with the Visa or MasterCard logo). Just fill out the form below and your tuition will automatically be charged on the first of each month. Your privacy will be protected and no other items will be charged to your card that you have not agreed upon.

To discontinue payments, you can fill out a "Drop/Add Class" form at the front desk. To change your payment amount, please fill out the "Drop/Add Class" form and you will be notified of your new balance based upon the new number of instruction hours. If you do neither and just stop coming to class, your account will continue to be charged until the end of the agreement.

A late fee of \$10.00 will be charged if the charge is denied and the payment is not received by the 7<sup>th</sup> of each month.
