Parent Observation Week!

Welcome to Parent Observation Week November 2006! Here is the latest news at Elite Dance Studio.

We hope you enjoy watching your child's classes this week. Everyone has been working extremely hard on learning new steps and perfecting old ones.

Some of our Combo I 3-4 year old classes have been preparing their "Pumpkin Patch Polka" for everyone's enjoyment! The Dance I and II jazz classes will surely impress their family and friends with their Cheetah Girl dance! The hip hop classes even have a special "outfit" for the parent's day—don't miss it!

The Twirly Twos Parent Observation will be November 13–18, the last week of Session I. Be sure to mark your calendar. Session II will begin January 2nd. Don't forget to sign up and reserve your spot for the new year!

While you are here for Observation Week, don't forget to check out what's new in the store—new bags, ballet sweaters and long sleeve leotards for the cold winter days, and Coming Soon—Elite pajama pants and sweatshirts!

Thank you for a great start of our first year!

What is the Costume Deposit?

Elite Dance Studio will hold its first annual Recital in June 2007, "Power of the Dream". All year-long classes will be performing in the shows! A dress rehearsal and two shows are in the plans. We will begin to learn the routines in January. The dancers are already asking which costume and song they will be doing!

Every dancer will be measured and costumes will be ordered in December. They will arrive in the spring.

Each class will be performing one routine, except for Dance I and II classes who will be performing two. In order to participate in the recital, a costume must be paid for by December 15th. Each costume will be \$55-80.

To defray of the costs of the costume right before the holidays, we encourage parents to pay a \$40 deposit per costume now. The final amount will be announced when costume decisions are complete.

We are looking forward to a great recital with beautiful costumes!

Elite Dance Studio Company 2006-2007

The Company is a group of highly dedicated dancers who compete and perform locally throughout the year. Auditions were held in the summer, and the new members are very excited to be learning this year's dances! These girls dance 4.5–6 hours a week, plus are involved in school activities, such as poms and cheerleading. Many are teacher's assistants at the studio!

The Junior Company have just finished learning their first dance, "Mama, I'm a Big Girl Now!" from Hairspray! The Senior Company was excited to have a guest choreographer this year, our very own hip hop teacher, Lorenzo Evans. Mr. Lorenzo has created an amazing hip

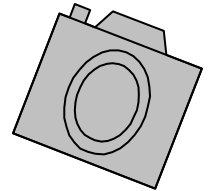

hop/jazz routine to "Maneater"! The Seniors are now working on their lyrical/contemporary dance to "Rock Your Soul".

Their first competition is in March and we hope to see everyone there supporting the team! Good luck, ladies!

Company Members:

Junior Company—Melissa Fajardo, Leah Schroeder, Jillian Wessel, Rae Wessel, Kelsey Ilowite and Sally Barth—understudies

Senior Company—Carol Barnes, Denise Jin, Dana Galuska, Alexa Norberg, Emily Prawde, Ashley Sherman, Haley Wessel, Michelle Wessel
